

# Special Notice to Owners and Residents

## Casa Bonita II Condominiums

The Board has approved the sealcoating of the entire parking area and driveways for Casa Bonita II.

The project will begin on Monday, October 9<sup>th</sup> and weather permitting be concluded by Thursday the 12<sup>th</sup>.

We have published a map detailing the areas and time line for the sealcoating and restriping of the parking areas.

We ask your cooperation to move all cars and relocate them to the open spaces in the side of the lot not schedule for that day. The project plan has been posted in the community, the community website, and email blasted to all owners to provide opportunity to prepare for this project.

We appreciate your understanding and consideration.
